The screenshot shows the NWU Registration System login page. At the top, there is a purple header with the NWU logo and links for 'Registration Process' and 'Terms and Conditions'. The main content area is split into two sections. The left section has a purple background with an illustration of a person standing on books and a graduation cap, with the text 'It All Starts Here!'. The right section is white and contains the login form. The form has fields for 'University Email' (with the example '34934219@mynwu.ac.za') and 'Password' (with masked characters '.....'). Below the password field is a 'Forgot Password' link. A purple 'Login' button is positioned below the 'Forgot Password' link. At the bottom of the form is a link that says 'Not Signed in Yet Sign-Up'. Four callout arrows originate from the form: one points from the email field to the top-left callout, one from the password field to the top-right callout, one from the 'Forgot Password' link to the top-right callout, and one from the 'Not Signed in Yet Sign-Up' link to the bottom callout.
